Born out of a realization that Sub Saharan African's will need to continue being Prosumers of electricity (Producing Consumers) for the long term due to weak, non existent, or inefficient grids common place across the continent.

We takes an analytics, technology, and long term service driven approach to ensuring these Prosumers don't walk alone. We optimize your electricity profile over time to give you the 'Power To Be'.

Using solar energy, battery storage, smart inverters, monitoring solutions, and analytics driven platforms we deliver clean energy solutions to Prosumers across Sub Saharan Africa starting in Nigeria.

OUR TEAM

TEDx Unilag is committed to providing you an optimized electricity generation and behavioral solution today and for the long term.
